BASE PRICES: Created in CenturyStone™ Solid Surface with 10 Year Limited Warranty

- **AeroWhirl™** \$11,050

These models are configured with both the Air Injector valves and Whirlpool jets. These combined systems may be operated independently or at the same time.

- **AeroBath** \$10,500

The Air Injector valves are located along the back edge of the seat, on the seat pedestal, and on the bathtub floor. The twenty-four massaging air jets introduce air with velocity. The result is an invigorating bubbling action of the water as the bather sits in comfort on the sculpted seat.

- **WhirlBath** \$9,800

Six Whirlpool jets are available. Two are located at the lumbar area above the seat, two on the seat pedestal and two located on the wall of the bathing well. The jets move water streams with velocity providing an invigorating whirlpool action.

- **SoakerBath** \$9,200

This model provides a relaxing and soothing warm soak as the bather relaxes seated on the sculpted seat.

Limited Warranty: Gelcoat models have a three (3) year limited warranty. CenturyStone Solid Surface models have a ten (10) year warranty. Pumps, parts and accessories have a three (3) year limited warranty. For further details, please refer to the complete warranty section.

How to Order: Make your selections from the list price sheet. Confirm all details and procedures. Then, sign include P.O. Number and fax your order to American Whirlpool Customer service at 800.398.5651. You must use the list price sheet of this Price Booklet for ordering. You may make as many copies as needed or download the PDF file online for future orders.

Leadtime: Tub only or single system models in standard Gelcoat colors have a 3-4 week leadtime. Models with CenturyStone™ Solid Surface colors, or models configured with the AeroWhirl system (Air Injector valves and Whirlpool jets) have a 5-6 week leadtime.

Terms and Conditions: Cancellation of or changes to an order are not permitted after receipt of order. Receipt of an order form with designated model numbers will be considered acceptance of unit drawing and submittal. For clarification of any specific detail before ordering, please contact the American Whirlpool Customer Service at: 800.327.1394.

Receiving Your Order: All American Whirlpool units are individually water-tested before being crated. All American Whirlpool products are warranted to be inspected and in excellent condition when they leave the shipping dock. Any damage to products, while in route, is the responsibility of the carrier. To avoid unnecessary problems and refusal of damage claims, it is the purchasers responsibility to agree to the following:

- All American Whirlpool deliveries must be properly inspected “on the spot” prior to signing the Delivery Receipt.
- Product found to be damaged upon inspection must be refused and not received from the carrier.
- Receiver must notify purchaser or directly contact the American Whirlpool Customer Service at 800.327.1394. Customer Service will acknowledge the claim and re-ship the replacement product.
- Customer requested LTL Carrier: Product found to be damaged in transit via customer furnished truck must be accepted and noted on the Delivery Receipt, reported to purchaser & the American Whirlpool Customer Service immediately to schedule repair or replacement options available.

American Whirlpool offers four models in the BathBay Collection. Each model has a seat and a hinged entry door. The features are highlighted below.

- **AeroWhirl™:** These models are configured with both the Air Injector valves and Whirlpool jets for the ultimate hydrotherapy experience and flexibility. These combined systems may be operated independently or at the same time.
- **AeroBath™:** The Air Injector valves are located along the back edge of the seat, on the seat pedestal, and on the bathtub floor. The twenty-four massaging air jets introduce air with velocity. The result is an invigorating bubbling action of the water as the bather sits in comfort on the sculpted seat.
- **WhirlBath:** Six Whirlpool jets are available. Two are located at the lumbar area above the seat, two on the seat pedestal and two located on the wall of the bathing well. The jets move water streams with velocity providing an invigorating whirlpool action.
- **SoakerBath:** This model provides a relaxing and soothing warm soak as the bather relaxes seated on the sculpted seat.
