

your dream [our passion]

DESTINATION COLLECTION

e l e t e

The CenturyStone® is our exclusive, patented, solid surface material, warrantied to retain its beautiful surface for ten years.

The CenturyStone® Collection, by American Whirlpool is a limited selection of beautifully sculpted, seamless shapes, producing the finest luxury combination Whirlpool Bath & Aerobath™ in the world.

Shown here are representative illustrations of the fourteen CenturyStone® colors considered standard. Please see an actual color selection chip in the showroom to determine your actual color selection as the printing process is not capable of exact replication of the product.
